Celebrity, Author And Psychic Medium John Edward To Host Event At OHEKA Castle To Assist Protravel International In Their Mission To Build A Village For The Families of Rwanda.

Protravel International is thrilled to announce “An Intimate Evening with John Edward and Friends” to be held on Wednesday, March 17th at OHEKA Castle, Cold Springs Hills, NY.

This charity event will feature John Edward, one of the country’s most sought after psychic mediums, along with special guests Char Margolis & Jonathan Louis.

John Edward is the host of internationally distributed talk shows, “Crossing Over with John Edward” & “John Edward Cross Country,” as well as the author of several critically acclaimed New York Times Best Sellers. John has also appeared on such programs as The Today Show, 20/20, CNN and Dateline, demonstrating his ability to connect people with loved ones who have passed on.

This will be a rare opportunity to be a part of a gallery style audience with John Edward (the audience will be limited to just 175 attendees) coupled with the haunting mystique of OHEKA Castle, which has been the backdrop for many film productions and is second largest private residence ever built in America.

All proceeds from this event, hosted by Protravel International, who has partnered with FXB USA, a non profit humanitarian organization, will go toward establishing a self sufficient village in Rwanda with a future of permanent stability.

Through wars, genocide and Aids, hundreds of thousands of children were left homeless with no family or community structure. Without outside help, there is no way to salvage these lives and create a future. The mission Protravel has set out to accomplish is to change the lives of over 100 families, or approximately 500 individuals, mostly children, and provide a basic package of sustainable enrichment.

Employees throughout the multiple locations of Protravel International, have come together to make a difference by sponsoring various fundraising events to help establish the village in Rwanda, which will bring improvements in health, education and economic opportunity, allowing families to escape poverty permanently.

Protravel International is one of the top privately held agencies in the United States, and has been in business for over 25 years. Owner and president of Protravel International, Priscilla Alexander, recently accepted the *Top Humanitarian Award for 2009* from Luxury Travel Advisor, for the on going initiative in Rwanda.

The suggested donation for this three hour event is \$175.00 per person, which will include a special gift bag from John Edward.

For further information and to purchase tickets, please call: 1-800-591-1469
Monday through Friday between 10:00AM & 5:00PM.
